Any of the suggested times work for me.

Thanks

Alice Yeh/R2/USEPA/US

Subject 2/4 Sediment Stability Mtg w/CPG & Internal Prep Call

This is to confirm the 2/4/10 EPA-CPG Sediment Stability Meeting and to schedule a prep call before the meeting.

1) The 2/4 meeting will be from 9:30AM to 3:30PM at Kirkpatrick & Lockhart (One Newark Center, Newark, NJ, 10th floor). I will e-mail directions tomorrow. Lunch will be provided, at a cost of \$7 for EPA team members (including consultants). Agenda is attached.

2) Please send me your availability for a 1.5 hr prep call for EPA team members & NJDEP (optional) during the following time slots. We will not go over your presentations word-for-word, but I would like to know what you plan to review.

Tues 1/26 after 3pm

Wed 1/27

Thurs 1/28 afternoon

Mon 2/1

Tues 2/2

3) For your information, I have sent the following documents to the CPG:

-Attachment L to the Comprehensive CSM (July09 draft) that describes the Conditional Simulation methodology.

-Memo with maps showing results of the conditional simulations (available on PREmis Digital Library at "Superfund and WRDA Project Deliverables/Data Evaluation/2009-11-02 Erosion & Deposition Mapping")

-Memo comparing 2007 single beam to multibeam bathymetry (available on PREmis Digital Library at "Superfund and WRDA Project Deliverables/Data Evaluation/2010-01-20 Bathymetry Comparison and CS Valid")

I don't have Attachment L with me today, but can send it from the office tomorrow, if anyone would like
